SUCCESSORS TO F. E. GAGE & CO.

## THE DENVER WAY.

The Cashier of a Bank in a Little  
Town in Colorado Persuaded  
With a Six Shooter.

A Cowboy the Thief, Who Secures a  
Thousand Dollars and Then  
Crosses the Line.

The Masked Robbers of Pennsylvania Turn  
Their Attention to Northern Farmers  
and Torture an Infirm Old Man.

DENVER, April 15.—A Cheyenne special  
says: The town of Grover, Colo., forty  
miles east of here on the Burlington road,  
was the scene of a sensational bank rob-  
bery, copied after the recent Denver hold-  
up. Shortly after the bank opened this  
morning an unknown cowboy rode up to  
the bank, entered the counting room, took  
from the cashier's desk a check for \$10,000,  
turned to the window to examine the  
writing, and on turning his face to ward  
the man found himself covered with a  
six shooter. The man said, "check no  
good, but I want your cash all the same."  
Smith demurred and the man threatened  
to shoot, whereupon he handed him the  
cash out of the safe, amounting to over a  
thousand dollars. The robber took this  
and a Winchester rifle standing beside the  
cashier, backed to the door, jumped upon  
his horse and rode over the Wyoming line.  
Smith immediately gave the alarm and a  
posse was organized and started in pursuit.  
Tonight the robber's horse was found  
near the station of Pine Bluff, and it is  
believed the thief left him there and took a  
train either east or west. A description  
has been wired along the road and his ap-  
prehension is almost certain.

Tortured and Robbed.

CUMBERLAND, Md., April 15.—Masked  
men, Saturday night, invaded the house of  
Christian Yoder, near Meyersdale, Seward  
county. They spent several hours tortur-  
ing an old man, who was infirm and ill.  
They hanged him to a hook, took his  
money, and then secured \$150 and left.  
At the time of the robbery there were  
five persons in the house, the husband  
and two servant girls, besides Mr. and  
Mrs. Yoder. Yesterday a neighbor gained  
an entrance and found the occupants on  
the floor all bound and gagged.

DISCREITS THE STORY.

Naval Constructor Hiebhorn's Views on  
the Wreck of the Trenton.

WASHINGTON, April 15.—Naval Con-  
structor Hiebhorn, acting chief of the con-  
struction bureau, does not credit the report  
that the fires of the Trenton were ex-  
tinguished by floods that came through the  
hull. He says these pipes were placed on  
both decks to allow the heavy forward  
gun to be worked. The effect was to  
make the vessel ride at anchor more  
easily than if they had been placed on the  
upper deck. In a heavy sea the water  
would come through them, and complaint  
had been made they kept the deck wet.  
Still they were furnished with rubber  
packed bucklers, which, if applied, would  
make the pipes nearly watertight, and  
Capt. Hiebhorn says it is entirely incred-  
ible that enough water should come through  
to extinguish the fires. "The damage to the  
cause of her wreck was insufficient engine  
power. The English ship Calypso, which  
saw her, says she was on fire for an hour  
and a half to the windward, had a 3,000 horse  
power, was substantially the same as that  
described and was sent to the bottom in  
less than 3,000 horse power, but a  
tonnage of 3,500.

No News of the Denmark.

NEW YORK, April 15.—There is still no  
news of the missing passengers and crew  
of the Thingvalla line steamer Denmark,  
though several steamers arrived to-day.  
The question that now occupies the minds  
of mariners is, When will the National  
line steamship Denmark arrive, and will  
she bring news of the Denmark? The  
National steamship is now two days over-  
due. There is a possibility the delay of  
the Denmark is due to being in collision  
with the Denmark.

Malley's Sentence.

LONDON, April 15.—Patrick Malley,  
who was summoned as a witness for the  
prosecution in the case of the first floor  
of the building, gave evidence at vari-  
ance with the statements he had made  
to the Times counsel before he was placed  
on the witness stand, and who was placed  
on trial on the charge that he had perjured  
himself during the examination, was to-  
day sentenced to six months imprisonment  
at hard labor.

President Harrison's Outing.

WASHINGTON, April 15.—President Har-  
rison, accompanied by Mrs. Harrison and  
Secretaries Blaine and Windom, started  
down the Potomac this morning for a day's  
trip, before leaving the presidential re-  
sidence. The party will visit the White  
House and all America ball clubs.  
The reception was very brief.

John Bright's Son Elected.

LONDON, April 15.—John Albert Bright  
candidate of the liberal unionists, was to-  
day elected to succeed his father, the late  
John Bright, as the representative of the  
central district of Birmingham in parlia-  
ment. Bright received 5,610 votes against  
2,560 for the Gladstonian nominee.

Disastrous Forest Fires.

DANVILLE, Va., April 15.—Information  
has been received here of a terrible forest  
fire in a large county, which swept every-  
thing before it. One man and six horses  
and a large number of hogs and cattle,  
and numerous dwellings and tobacco barns,  
were consumed. Many poor people are  
left in a destitute condition.

The Health of the Pope.

ROME, April 15.—The pope blessed the  
palms in the chapel of the Vatican yester-  
day. To-day he was slightly indisposed  
and was unable to give the household the  
Easter communion. It is expected his ill-  
ness will oblige him to officiate at the service in  
the Pauline chapel Thursday.

No Politics in This.

NEW YORK, April 15.—Representatives  
of the various business men's political  
clubs held a meeting here to-day, and it  
was agreed that all business men, democ-  
cratic, republican and prohibitionist, will  
mingle together in one harmonious body to  
march in the great centennial parade.

Blown to Pieces.

WILCOXSBURG, Pa., April 15.—Charles  
Hodges and John Mendenhall were passing  
through an abandoned working in the  
Great Tunnel mines this morning when  
their lights ignited a large amount of ac-  
cumulated gas, and both men were blown  
to pieces.

Strike Among the Coal Handlers.

CLEVELAND, April 15.—Coal handlers  
who last year were paid fourteen cents per  
ton demanded sixteen this year, while the  
employers reduced the price to twelve.  
They struck this morning with sticks  
and stones drove new men from all the  
shops, causing a complete suspension of  
business.

## COMING WEST.

Sunset Cox Starts on His Journey to Da-  
kota and Montana.

WASHINGTON, April 15.—(Special to the  
Independent.)—Sunset Cox has left Wash-  
ington for the west. He will make a tour  
of the northwestern states first and swing  
to the northward in time to take part in the  
political campaign in the four territories.  
He is a member of the territorial committee  
composed of republican disunionists, which  
they believe to exist in North Dakota, and  
which really do exist in Montana. The  
Montana disunionists have grown out of the  
contest over federal offices filled by Harri-  
son, and have left traces of bitterness.  
Home politics in relation to federal ap-  
pointments have been more sagaciously  
managed in North Dakota than in Mont-  
ana. Russell Harrison, when he found the  
Montana republicans pushing Harri-  
son for governor, made war on him and  
pushed his legal adviser, McCutcheon, in-  
stead. There was a patched-up compro-  
mise on White, but the incident has left  
scars.

THE CASE OF BADEAU.

Decision of the Supreme Court in His Suit  
Against the Government.

WASHINGTON, April 15.—An opinion  
was rendered by the supreme court of the  
United States to-day in the case of Adam  
Badeau, appellant, vs. the United States.  
This was a suit brought by Badeau in the  
court of claims for pay as a retired captain  
in the army from April 28, 1870, to Sept. 15,  
1881, during which time he was consul-  
general to London, and from Nov. 23, 1882,  
to the date of the filing of the suit, during  
which he was consul-general at Havana. The  
United States filed a counter claim, stating  
that Badeau was indebted to the United States  
for money erroneously paid him in several  
portions of his pay, the period from Dec. 13, 1869, to Oct. 31,  
1870. The court of claims by a di-  
vided vote, dismissed the claim. The  
supreme court holds that Gen. Badeau,  
while drawing a salary as consul general,  
was "expressly prohibited from receiving any  
additional compensation for discharging the  
duties of any other office. It is true, the  
court says, that it has been decided that a  
person holding two offices or employments  
under the government, when the duties of  
one of them were not incompatible, is not  
precluded from receiving a salary or com-  
pensation for both, but the amount of "copy"  
made out and not apparently regarded this case  
as falling within that exception, and the  
court in the weekly newspapers, and in the  
hand of the compositor in the several offices.  
These papers are used as a matter of econ-  
omy, and the amount of "copy" made out and  
not apparently regarded this case as falling  
within that exception, and the court in the  
weekly newspapers, and in the hand of the  
compositor in the several offices. These papers  
are used as a matter of economy, and the
